IL-POOM is made with 100% pure water from underground and Korean rice fermented to become the traditional premium spirit. It's a premium distilled Korean spirit from rice.

Brewer (Location): K-SOOL, South Korea

SIZE: 20/375ML

Item# LS1020 6/375ml

Item# LS1021 6/375ml

This is undiluted liquid produced at the beginning and end of the distillation , and only used what was produced during distillation to capture excellent fragrance and flavor. By using the freezing filtration process, it removed the odor and impurities from the distilled crude liquid of 100% pure rice from distillation. This enables it to embody a crisp flavor and make it soft on the throat, thereby completing the delicate flavor and deep savor preferred by Korean consumers.

Brewer (Location): Jinro, South Korea
